

NBFT SPOTLIGHT

Contacting Union

All union Vice Presidents and the President have a dedicated union phone for you to contact them either by text or calling. Please take down the number of your vice president for the school you work at. The reason for the union phones is because it allows you to be able to contact your union leadership while not using the school email. If you have any eboard personal numbers please use the following numbers for any school related issues. Know who your reps are in your building which is on the next page.
