## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Britain Federation of Teachers, Local 871 as of June 30, 2020 and 2019, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# **Emphasis of Matter**

As discussed in Note 7 to the financial statements, the 2020 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of the New Britain Federation of Teachers Local 871(NBFT) is presented to assist in understanding NBFT's financial statements. The financial statements and notes are representations of NBFT's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

#### **Organization**

NBFT is a nonprofit local chapter representing public school teachers in New Britain, Connecticut in affiliation with the American Federation of Teachers, American Federation of Teachers of Connecticut and the Connecticut State AFL-CIO.

# **Basis of Accounting**

NBFT represents its financial statements on the accrual basis of accounting in compliance with accounting principles generally accepted in the United States of America.

#### **Financial Statement Presentation**

The financial statement presentation follows generally accepted accounting principles for Not-For-Profit Entities. Under these provisions, net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of NBFT and changes therein are classified and reported as follows:

<u>Net Assets without Donor Restrictions</u> are not subject to donor-imposed stipulations or the restrictions have expired and may be expended for any purpose in performing the primary objectives of NBFT. These assets may be designated for specific purposes by action of NBFT Officers and Executive Board.

<u>Net Assets with Donor Restrictions</u> are subject to donor-imposed stipulations that can be fulfilled by actions of NBFT or that expire by the passage of time.

Revenues, including promises to give, are reported as increases in net assets without donor restrictions unless use of the related asset is limited by donor or grantor-imposed restrictions. Expenses are reported as decreases in net assets with donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decrease in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. NBFT has no net assets with donor restrictions for the years ended June 30, 2020 and 2019.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# **Property and Equipment**

NBFT follows the practice of capitalization, at cost, all expenditures for property and equipment in excess of \$1,000. Depreciation is computed utilizing the straight-line method over the estimated useful life of five to ten years.

			202	20		
	(	Cost	Depred	ciation	, ,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	mulated eciation

		Cost	Depred	ciation	Depr	eciation
Furniture and Fixtures Equipment	\$	6,647	\$		\$	6,647
Total Property and Equipment	\$	6,647	\$	-	\$	6,647

#### Investments

NBFT records investments in marketable securities at fair value. Gains or losses from market fluctuations are recognized in the period in which the fluctuations occur. Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on sales of securities are based on average cost.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles general accepted in United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Income Taxes**

The New Britain Federation of Teachers Local 871 is exempt from federal income tax under Section 501(c)(5) of the Internal Revenue Code.

#### **Dues and Agency Fees**

Dues and agency fees are withheld from members' wages by the City of New Britain Board of Education. These amounts are remitted monthly to NBFT during the school year.

#### **Cash and Cash Equivalents**

NBFT considers all higly liquid monetary certificate of deposit instruments purchased with a maturity of six months of less to be cash equivalents.

NBFT's cash balances are insured by the Federal Deposit Insurance Corporation and/or National Credit Union Administration. At times, these balances may exceed the Federal insurance limits; however, NBFT has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances at June 30, 2020.

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Expenses are recorded directly to program services or management and general categories based on specific identification. Certain costs have been allocated among program services and management and general categories.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses are allocated on the basis of estimates of time and effort.

#### **NOTE 2 – AVAILIABILITY & LIQUIDITY**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, are as follows:

Cash - Checking	\$ 56,815
Certificate of Deposit	75,000
	\$ 131,815

NBFT has investment funds of \$168,359 and \$163,177 for the years ended June 30, 2020 and 2019, although NBFT does not intend to spend from this investment fund it could be made available for general expenditures.

#### **NOTE 4 – FAIR VALUE OF FINANCIAL INSTRUMENTS**

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, <u>Fair Value Measurements and Disclosures</u>, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that NBFT has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the assets or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables sets forth by level, within the fair value hierarchy, NBFT's assets at fair value as of June 30, 2020 and 2019:

2020

#### NOTE 8 – CONCENTRATIONS, RISKS, UNCERTAINTIES

In March 2020, COVID-19 was declared a global pandemic. It is currently affecting business continuity, including supply chains and consumer demand across a broad range of industries and countries. The pandemic has already severely impacted the global economy and will continue to, likely for months to come, as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Management is carefully monitoring the situation and evaluating its options during this time.

#### NOTE 9 – DATE OF MANAGEMENT'S REVIEW

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of NBFT through April 27, 2021, the date which the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
